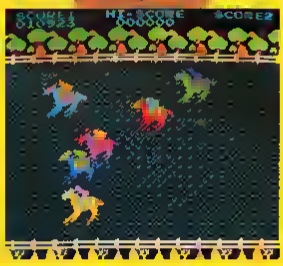
NEW PRODUCTS NEWS

Shoei

The Jockey is you !

Dark Horse



* You can operate your horse to jump obstacles ahead by controlling your horse.
* This is newly horse race game without the hand of computer.
* This is splendid picture shown which you have never seen before.
* After goal in, the next pattern will change and the game will be more difficult to operate as obstacles will increase.
* You can exchange the charactor for car race, boat race and etc.
